RE: Connecticut General Statutes Sections 1-123(b) and (c)  
Quarterly Report of Materials Innovation and Recycling Authority Finances  
For Quarter Ending June 30, 2018

Dear Ms. Ritsick:

Enclosed please find the quarterly financial report of the Materials Innovation and Recycling Authority<sup>1</sup> (the "Authority") for the period from April 1, 2018 through June 30, 2018 as required and defined by Connecticut General Statutes Sections 1-123(b) and (c).

During Fiscal Year 2018, the Authority's operations consist primarily of the Connecticut Solid Waste System (CSWS). The Authority's Mid Connecticut and Southeast Projects remain active on the Authority's financial statements solely for project closeout activities. The Authority also separately maintains a Property Division and Landfill Division for reporting its other financial activities. Therefore, the referenced Statute's requirements are reported separately for each project and division.

Should you have any questions on these or other matters, or if we may provide additional information, please contact me directly at (860) 757-7777.

Best regards,

A handwritten signature in blue ink, appearing to read "TD Kirk", is written over the typed name.
