RE: Connecticut General Statutes Sections 1-123(b) and (c)
Quarterly Report of Materials Innovation and Recycling Authority Finances
For Quarter Ending March 31, 2019

Dear Ms. Ritsick:

Enclosed please find the quarterly financial report of the Materials Innovation and Recycling Authority¹ (the "Authority") for the period from January 1, 2019 through March 31, 2019 as required and defined by Connecticut General Statutes Sections 1-123(b) and (c).

During 3rd Quarter Fiscal Year 2019, the Authority's operations consist primarily of the Connecticut Solid Waste System (CSWS). The Authority's Mid Connecticut project remained active on the Authority's financial statements solely for project closeout activities. The Authority also separately maintains a Property Division and Landfill Division for reporting its other financial activities. Therefore, the referenced Statute's requirements are reported separately for each project and division.

Please note, the Authority anticipates its fourth quarter and annual reports to be completed and filed shortly after completion of its annual independent audit in September 2019. In the interim, unaudited detail financial and operational information may be obtained on the Authority's website at <http://www.ctmira.org/records-reports/budget/>.

Should you have any questions on these or other matters, or if we may provide additional information, please contact me directly at (860) 757-7777.

Best regards,

Thomas D. Kirk
President
