RE: Connecticut General Statutes Sections 1-123(b) and (c)
Quarterly Report of Materials Innovation and Recycling Authority Finances
For Quarter Ending September 30, 2021

Dear Ms. Ritsick:

Enclosed please find the quarterly financial report of the Materials Innovation and Recycling Authority¹ (the "Authority") for the period from July 1, 2021 through September 30, 2021 as required and defined by Connecticut General Statutes Sections 1-123(b) and (c).

During the 1st Quarter of Fiscal Year 2022, the Authority's operations consist primarily of the Connecticut Solid Waste System (CSWS). The Authority's Mid Connecticut project remained active on the Authority's financial statements solely for project closeout activities. The Authority also separately maintains a Property Division and Landfill Division for reporting its other financial activities. Therefore, the referenced Statute's requirements are reported separately for each project and division.

Should you have any questions on these or other matters, or if we may provide additional information, please contact me directly at (860) 757-7777.

Best regards,
