Finance Committee May 3, 2023 Regular Meeting Minutes

A Regular Telephonic Meeting of the Finance Committee of the Materials Innovation and Recycling Authority was held on May 3, 2023. Present via video or audio conferencing were:

Finance Committee Members Present:

Bert Hunter Jim Hayden Carl Fortuna Susan Weisselberg

Other Members Present:

None

MIRA Staff Present:

Mark Daley, President and CFO Cheryl Kaminsky, Comptroller Tom Gaffey, Director of Recycling and Enforcement Roger Guzowski, Supply Chain Manager Dave Bodendorf, Manager of Engineering, Construction and Power Assets

Others:

None

PUBLIC COMMENT

Committee Chairman Hunter called the meeting to order at 9:30 a.m. Committee Chairman Hunter determined that there were no members of the public who wished to comment and proceeded with the agenda.

1. Approval of the Minutes of the April 5, 2023 Finance Committee Meeting.

Committee Chairman Hunter requested a motion to accept the minutes of the April 5, 2023 Finance Committee meeting. The motion to approve the minutes was made by Director Hayden and seconded by Director Fortuna. The motion to accept the minutes was approved by Director Hunter, Hayden and Fortuna. Director Weisselberg abstained.

2. Review and Approve – Draft Resolution Regarding Award of Outside Counsel Services

Committee Chairman Hunter requested a motion on the foregoing resolution. The motion was made by Director Fortuna and seconded by Director Hayden.

Mr. Daley stated that last month we discussed the pending expiration of our contracts for outside legal services and the RFQ process that has been undertaken. It was noted that the Finance Committee needed to designate evaluators for the qualifications submitted since it took over contracting oversight from the P&P Committee. It was decided that Roger Guzowski and myself would review from management and we would distribute qualifications to the committee to provide an opportunity for director input. Mr. Daley added that Roger sent out the qualifications submitted immediately following last month's meeting and we have since reviewed and formulated management's recommendations which are included in this month's package.

Mr. Daley noted we received responses from 8 local and respected firms covering all categories of service requested. He said management is recommending contracting with all of the firms for the categories they submitted with one exception which is the general counsel. We historically have one general counsel and recommend that category be awarded only to Halloran and Sage our incumbent. Mr. Daley added that management otherwise did not see a reason to not award any particular firm its requested categories of service.

Mr. Daley stated that this is an RFQ for on call services so no work is guaranteed but it can reasonably be expected that requests for service will exceed \$50,000 so we have indicated this as a 2/3 vote requirement for the Board which is consistent with past practice.

Director Weisselberg inquired if the proposed contracts would bind a future board if pending legislation were signed into law. Mr. Daley noted that the contracts would automatically assign to a successor agency but they include MIRA's standard thirty day termination provision. Mr. Guzowski confirmed the termination clause. Director Weisselberg requested the termination provision be noted when this resolution is presented to the full board.

The aforementioned resolution was approved unanimously.

3. Review and Approve – Draft Resolution Regarding CSWS Commercial Hauler Agreement.

Committee Chairman Hunter requested a motion on the foregoing resolution. The motion was made by Director Weisselberg and seconded by Director Fortuna.

Mr. Daley stated that this is the annual commercial hauler agreement we put in place for haulers operating within the borders of our municipal customers. He said this is also a 2/3 vote

requirement at the Board due to the revenues expected. Mr. Daley summarized the agreement noting it is for the one year term beginning July 1, 2023 and ending 6/30/2024 and provides for payment of the adopted Tier 1 long term and short term tip fees. He said this also provides the administrative framework for control of our deliveries, and access to our facilities through our permitting, disposal and billing procedures document.

Following a brief discussion, the aforementioned resolution was approved unanimously.

4. Draft Resolution Regarding Funding Contractor Severance for Jet Turbine Facility.

Committee Chairman Hunter requested a motion on the aforementioned resolution. The motion was made by Director Hayden and seconded by Director Weisselberg.

Mr. Daley stated we are fast approaching the May 31st delist date for the Jets and the June 30th expiration of the NAES contract. He said we had previously entered into an amendment with NAES providing for a contractor severance program for 89 eligible NAES employees. We previously implemented the program for 71 employees following shut down of the resource recovery facility. At that time 11 employees transferred to the Jets to run the control room 24 / 7. Mr. Daley added that since then a number of those employees resigned and were replaced with employees no longer eligible for the program. This leaves 8 eligible employees at the Jets for which we requested and received the current estimated cost of the program for the Jets.

Mr. Daley noted the total estimate for these employees is \$243,859.09 and the resolution provides for \$250,000 in case there are any final corrections. He said the resolution also establishes the Property Division Operating Account as the fund from which these payments will be made which is in addition to the adopted budget for FY 2023. He said this will leave one employee eligible under the program for the resource recovery facility who has been on disability and that payment is funded in the previous resolution.

Following a brief discussion, the aforementioned resolution was approved unanimously.

5. Discussion of Information Reports

Committee Chairman Hunter requested Mr. Daley review the Informational Reports.

Mr. Daley stated we are reporting for the period ending 3/31/2023.

He said the property division generated \$868,000 in accrued revenue in March which was 27% above budget due to surplus reserve credits and interest income. Operating expenses were 52.5% below budget. Mr. Daley noted that MIRA's \$1.9 million operating contingency was allocated to the months of February through May so we will see that eliminate the deficit in Jets operating charges. He said year to date income in the Property Division stands at \$6.1 million which is \$2.3 million or 61% above budget.

Mr. Daley said the CSWS generated \$883,000 in in accrued revenue in March which was 26% above budget due to surplus other energy market revenues and interest earnings. He noted that other energy market revenue included our last sale of RECs from the resource recovery facility as well as net capacity payments resulting from reconfiguration auctions. Operating expenses in March were \$1.37 million which was 10% above budget due to MIRA Facility Operating Expense. Mr. Daley added that year to date CSWS operating expenses are 13.2% below budget and the operating loss is now 3.4% (\$188,000) worse than budget. He said we received 4,271 tons of MSW in March which was 30% below budget. We began receiving spot waste in April which will mitigate our potential delivery fee with Covanta and we are actively pursuing a new approach to enforcement with Ann Catino.

Mr. Daley stated that, in terms of cash flow, the property division received sufficient receipts to transfer \$351,000 to the general fund and CSWS drew \$390,000 from tip fee stabilization to support its operations. He added that we have now established the south meadows transition contingency reserve as approved by the Board and that will soon be shown on the cash flow statement.

Mr. Daley noted that we have recently received a proposed amendment to our energy marketing contract with Nextera that will continue their services through the May 31, 2024 completion of our capacity supply obligation for the resource recovery facility. He said in addition to elimination of the \$10,750 monthly fee for the jets the amendment reduces the monthly fee for the resource recovery facility from \$10,750 to \$7,150. Mr. Daley stated we would like to take this direct to the Board.

Committee Chairman Hunter inquired if a formal resolution has been drafted that could be screen shared at this point. Mr. Daley stated there was and requested Mr. Bodendorf to share the draft resolution. Following review of the draft resolution, summary and term sheet Committee Chairman Hunter requested a motion to add a draft Resolution Regarding an Amendment to the Power Products Management Services Agreement with Nextera Energy Marketing, LLC to the agenda. The motion was made by Director Weisselberg and seconded by Director Hayden. The motion to add this item to the agenda was approved unanimously. Committee Chairman Hunter then requested a motion to approve the forgoing draft resolution. The motion was made by Director Fortuna and seconded by Director Weisselberg. The motion to approve the draft resolution was approved unanimously.

Mr. Daley stated the monthly contracting reports are included and Roger Guzowski can take you through them and / or answer any questions. He said one thing to highlight is that we have issued a request for information and expressions of interest for the sale of the jets. The primary objective here was to get this process rolling before our permit to operate the jets expires. Mr. Daley said this makes available a brief opportunity for test running the units in the event we had any interested purchasers that wanted to observe them in operation. We have a target audience of entities we have purchased the units from and which operate similar compliant facilities which we direct mailed the RFI to. Mr. Daley added that it has also been posted as required and we are reaching out to entities on the ISO list.

Mr. Daley added that the state audit for FY 21 & 22 is well underway and we will soon be getting started with the annual independent audit for FY 2023.

6. Adjournment

Committee Chairman Hunter adjourned the meeting at 10:00 a.m.

DRAFT RESOLUTION FOR THE MATERIALS INNOVATION AND RECYCLING AUTHORITY BOARD OF DIRECTORS

REGARDING RENEWAL OF EMPLOYEE BENEFIT PROGRAM FOR FY 2024

WHEREAS, The Materials Innovation and Recycling Authority ("Authority") maintains certain health and welfare insurance policies for its employees which expire July 1, 2023; and

WHEREAS, The renewal of such policies is in the best interest of the Authority and contemplated within its Fiscal Year 2024 adopted budgets.

NOW THEREFORE, be it RESOLVED:

That the President is authorized to bind the following insurance policies effective for the period July 1, 2023 through June 30, 2024, in accordance with the recommendations contained in the Assured Partners Renewal Proposal dated May 31, 2023 attached hereto.

POWER

through Partnership

Insurance Renewal Proposal For:

Renewal Date: July 1, 20223

Presented By: Jennifer Roberts, Director Employee Benefits (860)426-6149 Jennifer.Roberts@AssuredPartners.com

AssuredPartners New England, Inc. One Financial Plaza Hartford, CT 06103

Agency Profile

About Us

AssuredPartners New England is an insurance and employee benefits firm that offers creative risk solutions to commercial and private customers. From business and personal insurance services to group benefits, we utilize our industry knowledge, experience, and strong carrier relationships to create custom programs for each individual client.

With our main regional hub located in Hartford, CT (formerly known as People's United Insurance Agency, Inc.), our region includes locations in New York, Connecticut, Massachusetts, Vermont, and New Hampshire. Our group is comprised of some of the most reputable independent agencies and brokerage firms throughout this territory that have joined the AP family, including:

- People's United Insurance Agency
- RC Knox & Company
- Chittenden Insurance Group
- Beardsley, Brown & Bassett
- Bank of Smithtown Insurance Agents and Brokers, Inc.
- Kesten-Brown Insurance, LLC
- Eagle Insurance

Power Through Partnership

At AssuredPartners, we're not just in the insurance business. We're in the business of developing strong, lasting relationships. Relationships built on trust that we earn day in and day out by collaborating with you as partners – where we view each other as equals, show mutual respect and work openly and honestly together to achieve common goals.

As true partners, our national team of dedicated, experienced insurance professionals always have your best interests in mind and are passionate about protecting your assets and helping you grow. Through listening, problem solving and collaboration, together we find the best new innovative solutions to fulfill your specific needs and promote your success – now and for the future. It's what we call power through partnership.

Platform for Growth

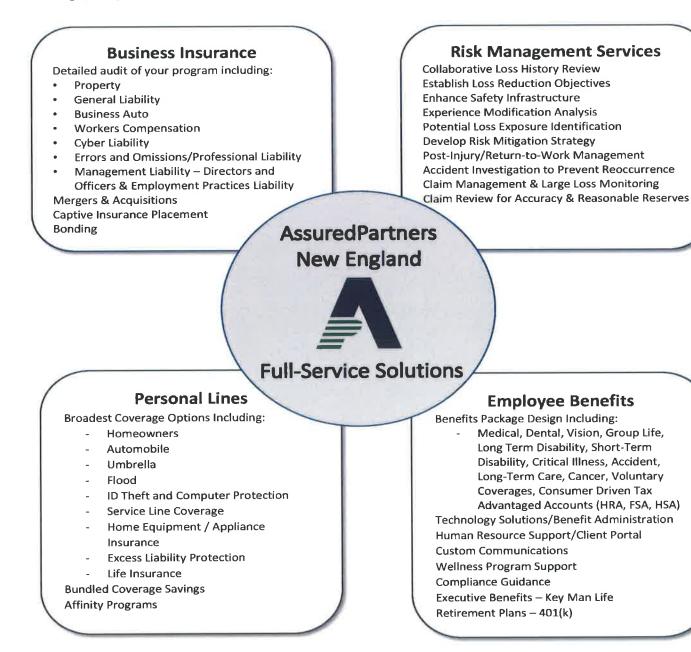

- AssuredPartners New England is a division of AssuredPartners (AP), the 11th largest broker of U.S. business (as ranked by Business Insurance in the July, 2020 edition, featuring the "100 Largest Brokers of U.S. Business"). As a division of AssuredPartners, we have the commitment, stability, and financial resources to serve clients.
- We are positioned for future growth and are committed to investing in client services that support our long-term vision and commitment to clients and colleagues.
- We dedicate significant resources to keeping our staff highly trained so that we are always up to the task. In addition, we strive to utilize the latest technologies that allow us to respond quickly and efficiently to our clients' needs

Client Value

- We help clients make informed risk and insurance choices to protect profitability, impact productivity, and enhance shareholder value. We do this by acting as a trusted advisor and outsourced risk management partner.
- By leveraging the collective resources of our team, we combine an ability to know the markets for our clients' unique needs with a consultative risk management approach to deliver customized risk management solutions.
- Our success is the result of a focused approach to meeting customer needs. AssuredPartners New England is the "right size" for our clients.

SOLUTIONS FOR ALL YOUR INSURANCE NEEDS

We have solutions for all facets of your business, personal and risk management needs. Say goodbye to the confusion of multiple insurance agencies and discover the benefits of placing all your needs with AssuredPartners New England. A complete review of your existing program will enable us to develop a strategic, comprehensive insurance plan that addresses your unique needs.

Disclosures

Compensation Disclosure:

AssuredPartners agencies are licensed as insurance producers by the various States where we are transacting insurance, which includes the sale, solicitation, and servicing of insurance business, as well as advising on the relative benefits of certain insurance policies and risk management programs.

Our agencies typically receive compensation from insurers in the form of commissions paid as a percentage of the premiums due the applicable insurance companies. Commissions can vary by insurance company, by volume of business placed with that company or the profitability thereof, and other factors. In other cases and depending on various State laws and the capacity in which our agency is acting, our agencies may receive other forms of compensation from insurers, insurance intermediaries, premium finance companies, and other vendors; such as contingents, overrides, profit-sharing, premium finance fees, expense reimbursements, producer subsidies, award trips, meetings, and other incentives. We also earn interest on premiums we hold until it is time to pay the applicable insurance companies. Our overriding desire is to provide great customer service, having you, the

We believe in full disclosure of our compensation, Accordingly, if you have any questions about the compensation we receive from your policies (including policies we propose to you), please just ask your account representative, who will gladly provide you a summary of our compensation arising from your policies (some estimation may be necessary, for example where contingents are involved). We thank you for the opportunity to serve and appreciate your interest.

Connecticare, Inc. Current AM Best Rating: C-

A.M. Best Rating Below Standard

As a part of our proposal, we have included a quotation for coverage through a carrier who does not meet our carrier financial standard (A.M. Best rating of A- or higher).

• Either this was the only company we could find willing to provide a quotation, or we may have provided you with an alternative quote (at a higher premium).

• We have provided you with A.M. Best rating definitions so you can make an informed decision when placing your insurance coverage. Your choice of carrier should be made by weighing the pluses and minuses of pricing,

· We will provide any additional available information you may request to assist you in this decision. Please let us know if you have any questions.

AM Best Rating Definitions:

	AM Best Rating	Description	AM Best Opinion

	8. B-	Fair	is vulnerable to adverse changes in underwriting and aconomic conditions.
able	C++, C+	Marginal	Marginal ability to meet their ongoing insurance obligations. Financial strength is vulnerable to adverse changes in underwriting and economic conditions.
Vulnerable	с.с-	Weak	Weak ability to meet their ongoing insurance obligations. Financial strength is very vulnerable to adverse changes in underwriting and economic conditions.
	D	Poor	Poor ability to meet their ongoing insurance obligations. Financial strength is extremely vulnerable to adverse changes in underwriting and economic conditions.

AssuredPartners

DRAFT RESOLUTION FOR THE MATERIALS INNOVATION AND RECYCLING AUTHORITY BOARD OF DIRECTORS

REGARDING RENEWAL OF PROPERTY, CASUALTY, PUBLIC OFFICIALS AND POLLUTION INSURANCE POLICIES FOR FY 2024

WHEREAS, The Materials Innovation and Recycling Authority ("Authority") maintains certain insurance policies which expire July 1, 2023; and

WHEREAS, The renewal of such policies is in the best interest of the Authority and contemplated within its Fiscal Year 2024 adopted budgets.

NOW THEREFORE, be it RESOLVED:

That the President is authorized to bind the following insurance policies effective for the period July 1, 2023 through June 30, 2024, in accordance with the recommendations contained in the Brown & Brown Renewal Proposal dated June 1, 2023 attached hereto.

- Property (Great American)
- General Liability (Liberty Mutual)
- Auto Liability (Liberty Mutual)
- Workers Compensation (Liberty Mutual)
- Umbrella/Excess Liability (Liberty Mutual) / (RSUI / Nexxus)
- Public Officials (PGU / Nexxus)
- Crime (Travelers)
- Fiduciary (Travelers)
- Pollution (Chubb)

PROCEDURAL REQUIREMENTS (PROPERTY / CASUALTY RENEWALS)

Author: Mark Daley, President & CFO

Committee Requirements:

- Assigned MIRA Finance & South Meadows Transition Committees
- Quorum 50% of the Directors on the Committee (4 Director Committee 2 Director quorum)
- Item carries with majority of Directors present

Director	Raised	Second	Aye	Nay	Abstain
Bert Hunter (Chair)					
Carl Fortuna					
Jim Hayden					
Sue Weisselberg					

Board Requirements:

- Quorum 6 Directors that include at least two (2) Directors that are Municipal Officials (Carl Fortuna, Dave Steuber and Ed Mone)
- _____ Item carries with majority of Directors present unless otherwise specified
- Specified as requiring 2/3 of full Board (8 Directors)
 - Purchasing and Contracting Rules & Procedures (22a-266(c))
 - _X_ Contract Over 5 Years or Greater than \$50,000 Annual Consideration(22a-268)
 - ____ Proposed Procedure (1-120)
 - ____ Special Capability Exception Over \$10,000 (Procurement Policy Section 3.1.2.5)
 - ____ Settlement Exception (Procurement Policy Section 3.1.2.7)
 - Acquisition or Sale of Real Property (Procurement Policy Section 5.1.3 & 5.2.3)
- Specified as requiring 2/3 of Directors present and eligible (Bylaws Section 504)
 - Expenditure of \$50,000 or more for outside consultant
 - ____ Entering Executive Session
 - _____ Addition of Agenda Item at a regular meeting

MIRA: 7/1/2023 - 7/1/2024 Renewal Cost Comparison - DRAFT 6.1.2023

DRAFT RESOLUTION FOR THE MATERIALS INNOVATION AND RECYCLING AUTHORITY BOARD OF DIRECTORS

REGARDING AMENDMENT OF OMNIBUS AMENDMENT AGREEMENT WITH MURPHY ROAD RECYCLING

WHEREAS, At its March 27, 2023 meeting, the Materials Innovation and Recycling Authority ("Authority") Board of Directors authorized the President to enter into a certain Omnibus Amendment Agreement with Murphy Road Recycling concerning the Authority's Transfer Agreement for Connecticut Solid Waste System Recycling Facility ("Recycling Transfer Agreement") as well as ancillary use agreements affecting 211 and 171 Murphy Road in order to complete unencumbering of the Recycling Facility so that it may be put to a future productive use (the "Omnibus Amendment Agreement"); and

WHEREAS, Murphy Road Recycling has subsequently requested a reduction in the bond requirements included in the Recycling Transfer Agreement which management has reviewed and considers reasonable to incorporate into such Omnibus Amendment Agreement at this time.

NOW THEREFORE, be it

RESOLVED: The Omnibus Amendment Agreement with Murphy Road Recycling authorized at the March 27, 2023 meeting of the Authority Board of Directors is hereby ratified and the President is authorized to amend and enter into such Omnibus Amendment Agreement to reflect the bond requirement shown on Exhibit A hereto.

EXHIBIT A

ADDITION TO OMNIBUS AMENDMENT AGREEMENT

(Changes to Existing Section Redlined)

Effective July 1, 2023, Section 17.5 of the Recycling Transfer Agreement is hereby deleted in its entirety and the following substituted therefor:

Within twenty (20) days of the <u>Commencement Effective</u> Date, Contractor shall furnish MIRA with a Performance Bond or a Letter of Credit as security for faithful performance of the Services in the form attached hereto as Exhibit 4 and in the amount of ONE <u>MILLION HUNDRED THOUSAND</u> (\$1,000,000.00100,000.00) DOLLARS to guarantee Contractor's performance of the Services (the "Bond"). <u>MIRA reserves the right to proportionately increase the amount of the Bond upon ninety (90) days written notice to Contractor to reflect any substantial change in the scope of services contemplated by the Agreement as amended by the Omnibus Amendment Agreement ("Amendment") determined by MIRA on a commercially reasonable basis to reflect year over year increases in the volume of Acceptable Recyclables delivered to and accepted by Contractor and Contractor's use of MIRA facilities and equipment in the provision of such <u>Services</u>. The Bond shall be issued and executed by a surety acceptable to MIRA and authorized to transact business in Connecticut. The surety must also be listed by the United States Treasury Department in its latest list as a qualified surety acceptable to the United States Government. The amount of the Bond may exceed the limit for which the United States Treasury Department has qualified the surety only if the excess is reinsured with surety companies that are qualified on the United States Treasury Department list for an amount equal to the amount of the reinsurance. Written evidence of how any excess suretyship has been placed by the surety signing the Bond must accompany the Bond.</u>

Contractor shall maintain the Bond in full force and effect during the Term of this the Agreement as amended by the Amendment. The Bond shall be automatically renewed by Contractor on an annual basis, unless not later than ninety (90) days prior to the then current expiration dates of the Bond, Contractor notifies MIRA by certified mail that the surety of the Bond elects not to renew such Bond. Failure to maintain or renew the Bond under the aforesaid terms shall constitute an Event of Default by Contractor under this the Agreement as amended by the Amendment. If the surety on the Bond furnished by Contractor is declared bankrupt or becomes insolvent or its right to do business is terminated in the State of Connecticut or it ceases to meet the above requirements or the surety elects not to renew the Bond due to no fault of Contractor, Contractor shall immediately substitute another bond (or another letter of credit) and surety, subject to the requirements set forth in this Section 17.105.

In the event Contractor fails to perform any of its obligations under this the Agreement as amended by the Amendment, Contractor withdraws from this the Agreement as amended by the Amendment, or a Contractor Event of Default occurs and the contract is terminated, MIRA shall have the right, in addition to all other rights and remedies available to MIRA hereunder or otherwise, to exercise any or all of MIRA's rights and remedies under the Bond.

PROCEDURAL REQUIREMENTS (MRR OMNIBUS AMENDMENT)

Author: Mark Daley, President & CFO

Committee Requirements:

- Assigned MIRA Finance & South Meadows Transition Committees
- Quorum 50% of the Directors on the Committee (4 Director Committee 2 Director quorum)
- Item carries with majority of Directors present

Director	Raised	Second	Aye	Nay	Abstain
Bert Hunter (Chair)					
Carl Fortuna					
Jim Hayden					
Sue Weisselberg					

Board Requirements:

- Quorum 6 Directors that include at least two (2) Directors that are Municipal Officials (Carl Fortuna, Dave Steuber and Ed Mone)
- Item carries with majority of Directors present unless otherwise specified
- Specified as requiring 2/3 of full Board (8 Directors)
 - ____ Purchasing and Contracting Rules & Procedures (22a-266(c))
 - _X_ Contract Over 5 Years or Greater than \$50,000 Annual Consideration(22a-268)
 - Proposed Procedure (1-120)
 - Special Capability Exception Over \$10,000 (Procurement Policy Section 3.1.2.5)
 - _____ Settlement Exception (Procurement Policy Section 3.1.2.7)
 - Acquisition or Sale of Real Property (Procurement Policy Section 5.1.3 & 5.2.3)
- Specified as requiring 2/3 of Directors present and eligible (Bylaws Section 504)
 - Expenditure of \$50,000 or more for outside consultant
 - ____ Entering Executive Session
 - ____ Addition of Agenda Item at a regular meeting

RECOMMENDED DRAFT RESOLUTION FOR MIRA BOARD OF DIRECTORS

RESOLUTION APPROVING MARKET DRIVEN SALE OF SURPLUS JET FUEL

RESOLVED: that the Materials Innovation and Recycling Authority Board of Directors approves the market driven sale of surplus jet fuel in accordance with Sections 5.11 and 5.12 of the Authority's Procurement Policies and Procedures and the President is authorized to select the competitively solicited Jet Fuel purchase offers from Sack Energy Corporation and from East River Energy, Inc.; and

FURTHER RESOLVED: that the funds from the sale of surplus Jet fuel be placed in the Authority's Property Division General Fund pursuant to applicable provisions of the Fiscal Year 2024 budget adoption resolutions; substantially as presented and discussed at this meeting.

Materials Innovation & Recycling Authority

Summary for: MARKET DRIVEN SALE OF SURPLUS JET FUEL

Presented to the MIRA Board on:	June 14, 2023
Vendor/ Contractor(s):	Sack Energy Corp. ("Sack") East River Energy, Inc. ("East River")
Effective date:	Approximately late June, 2023
Contract Type/Subject matter:	Market Driven Purchase: Up to approximately 165,000 gallons of Jet Fuel
Facility Affected:	Jet Turbine Facility (Property Division)
Term:	From the Effective Date through September 30, 2023.
Contract Dollar Value:	Up to approximately \$140,000
Amendment(s):	None
Term Extensions:	Not applicable
Scope of Services:	Purchase and Removal up to approximately 165,000 of Jet Fuel.
Other Pertinent Provisions:	None

Materials Innovation & Recycling Authority

Market Driven Sale Surplus Jet Fuel

Finance Committee June 7, 2023

Executive Summary

MIRA has operated its Jet Turbine Facility in the ISONE Market since the early 2000's. In order to meet its market obligations, MIRA was required to maintain an adequate amount of Jet Fuel for the Jets to reliably operate in the market. As of June 1, 2023, the Jets market obligation and ability to operate expires. Therefore, i) in order to receive the highest value for the Jet Fuel that remains as of June 1, 2023, and ii) secure removal of the fuel at the earliest time recognizing the pending expiration of the NAES operating contract for the Jets, and iii) mitigate the risk associated with a large quantity of combustible material on the South Meadows property, and iv) avoiding degrading the quality and marketability of such fuel which occurs if left unused in a storage tank over time, MIRA conducted a solicitation for the sale of any fuel that remained as of June 1, 2023.

This Surplus Jet Fuel Solicitation and Sale was conducted in accordance with Section 5.11 (<u>Market Driven</u> <u>Purchases and Sales</u>) and 5.12 (Disposition of Personal Property) of MIRA's Procurement Policies and Procedures. This is to report to the Board of Directors this market driven sale of Jet Fuel, and to receive Board approval for the transaction since the total amount of revenue may exceed \$50,000.

Discussion

Throughout the ISO winter period October 1, 2022 through May 31, 2023, MIRA has maintained enough Jet Fuel to operate its Jet Turbine Facility Peaking Units for a minimum of 8 hours, if all four twin packs were to run at the same time. MIRA's ISONE obligation, and its ability to operate the Jets under its Air Permit, expires as of June 1, 2023. Therefore, any Jet Fuel remaining as of June 1, 2023 is not necessary and can be sold.

During the summer of 2022, MIRA staff reached out several Jet fuel supply vendors to gage the value of any surplus fuel remaining in its fuel tank after May 31, 2023. At that time, vendors indicated there would likely be little to no value for any surplus Jet fuel.

Based on that information, staff then worked with its ISO New England Lead Market Participant, Nextera, and its operator, NAES, to develop a procedure to voluntarily run its Jets units and make electricity, to reclaim some value of the Jet fuel that might remain in the storage tank near the end of its market obligation and after the likelihood of ISO dispatch was low.

While prepared to initiate voluntary runs of the Jets in late May, 2023, staff again reached out to several vendors to ask if the remaining fuel might have resale value. Based on those conversations and indications from one vendor that it would be willing to pay MIRA for any surplus fuel, MIRA staff issued an RFP in accordance with its procedures for market driven purchases and sales. The RFP included all fuel specifications and recent testing analyses, and DAS contract provisions concerning liabilities assumed by the purchaser which respondents were required to accept as part of committing to purchase the fuel at the prices quoted. The RFP was provided directly to known fuel distributors and published on the Department of Administrative Services web site. The RFP resulted in two proposals for the purchase of any remaining fuel after May 31, 2023. The

prices proposed were both higher in value than the value MIRA was otherwise likely to receive by burning the fuel to make electricity in the ISO market.

Therefore, staff determined it would not initiate voluntary runs of the Jets and instead sell the fuel to the vendor that proposed the highest purchase price.

MIRA received two responses:

- An offer from Sack to purchase some or all of the fuel at a price of \$0.85/gallon which potentially excludes approximately 40,000 gallons accessible only through the storage systems drain line.
- An offer from East River to purchase all of the fuel at a price of \$0.50/gallon.

Financial Summary

Sack will pay MIRA \$0.85/gallon for the Jet fuel it purchases. East River will pay MIRA \$0.50/gallon for the Jet fuel not purchased by Sack.

ATTACHMENT 6

BOARD OF DIRECTORS FINANCIAL REPORT PERIOD ENDING April 30, 2023

<u>CSWS Financials</u> - This report reflects the budget versus actual financial performance of the CSWS for the current month and on a year to date basis. This is an accrual basis report in that revenues are recognized when earned and expenses are recognized when incurred.

As indicated in this report, operating revenues for April totaled \$0.72 million (3.6% above budget). The deficit in member town deliveries was more than offset by surplus other energy market revenues, interest income and spot. Year to date revenues are \$2.27 million (20.4%) under budget due to the early shut down of the Waste to Energy Facility. Accrued expenditures for April totaled \$1.40 million (11.7% above budget) primarily due to the deficit in MIRA facility operating and contract operating expenses. Year to date total accrued expenditures are 11.4% under budget. Year to date the CSWS has incurred an operating loss of \$6.45 million which is \$0.31 million (5.0%) above budget. The Authority's Transition Contingency Reserve adequately supports the shortfall in income driven by the early shut down and ongoing deficits in member deliveries.

<u>CSWS Electricity</u> - The CSWS no longer produces electricity. All of its energy sales revenue is derived from Renewable Energy Credits (RECs) "minted" by the Department of Energy and Environmental Protection quarterly in arrears, and through annual and monthly reconfiguration auctions conducted by ISO New England which the Authority participates in to satisfy the Waste to Energy Facility capacity supply obligations it has incurred through May 2024.

Electricity generated by the CSWS in July 2022 was minted into 8,830 RECs in January 2023, sold at market and previously recognized in March. These were the final RECs. The \$128,567 in other energy market revenue in April is net capacity payments from ISO NE reconfiguration auctions to satisfy remaining capacity supply obligations. Year to date other energy market revenue is 35.6% above budget.

<u>CSWS Solid Waste Summary</u> - This report reflects the budget versus actual MSW tons delivered, revenue and price per ton for member towns, other contracts, waste haulers and spot.

April deliveries totaled 4,885 tons which is 1,240 tons (20.2%) below budget. All deliveries from August through the end of fiscal year 2023 are budgeted as member town deliveries. The deficit in Member Town deliveries has been reviewed, initial causes identified and corrective actions have commenced. The Authority anticipated improvement in member deliveries commencing in November which did not occur. The Authority has meet with DEEP concerning its request for flow control enforcement assistance and has followed up with additional information as DEEP requested. Alternative enforcement measures are being pursued. In April, 901 tons of spot were delivered direct to Covanta on MIRA's account to mitigate a potential delivery shortfall.

<u>CSWS Recycling Summary</u> - This report reflects current month and year to date accrued revenue and expense associated with CSWS recycling operations stated in terms relevant to the Authority's waste hauler agreements, transfer station and Recycling Facility operating contracts.

As indicated in the summary report, 0 tons of non-participating recycling were delivered and 0 tons were budgeted. Operating expenses totaled \$146,659 for participating town deliveries which is 1.1% below budget for April due to improved commodity pricing that relieved upward pressure on the Authority's Base Operating Charge for April. Operating expenses include transportation from the CSWS transfer stations as detailed on the Recycling Transportation Report, Recycling Facility contract operating charges as detailed on the Recycling Contract Operating Report, Authority direct O&M expenses and Recycling Facility residue charges. Operating expenses are 15.0% above budget year to date.

BOARD OF DIRECTORS FINANCIAL REPORT PERIOD ENDING April 30, 2023

<u>CSWS Metals Sales</u> - This report reflects budget versus actual sales of post combustion ferrous metals and maintenance metals stated in terms relevant to the Authority's metals transportation and processing contract.

In April, the Authority sold 0 gross tons of post combustion ferrous and 0 gross tons of maintenance metals for total revenue of \$0. No sales were budgeted for April. Metal sales are 160.1% above budget year to date. Beginning in fiscal year 2022, the Authority stopped directly selling pre-combustion ferrous metals. This material was transported for processing and remarketing and the waste transportation expense included within CSWS Waste Transportation. Post combustion ferrous sales activity ended with the shut down of the WTE Facility. Sales of maintenance metals may continue.

<u>Property Division Financials</u> - This report reflects the budget versus actual financial performance of the Property Division for the current month and on a year to date basis. This is an accrual basis report in that revenues are recognized when earned and expenses are recognized when incurred.

As indicated, revenue to the Property Division was 33.9% above budget in April due to surplus reserve, interest and billboard revenue. Operating expenses were 75.7% under budget due to savings in operational contingency budgeted for the period February to June. Total operating income is 80.5% above budget year to date.

<u>MIRA Cash Flow</u> - This "cash basis" report reflects the monthly flow of cash through the bank accounts and STIF reserve funds that represent all of the Authority's ongoing operations. The flow of funds is executed monthly in accordance with Board approved criteria.

Property Division cash receipts for April were sufficient to distribute \$629,076 to the Property Division General Fund. Year to date distributions to the Tip Fee Stabilization Fund previously reached the authorized cap of \$3,811,000. CSWS cash receipts were not sufficient to execute budgeted distributions to the CSWS Operating and Major Maintenance funds causing a draw of \$679,053 from the Tip Fee Stabilization Fund. After the distribution of March receipts, \$60,770,021 remained contingently due to the Tip Fee Stabilization Fund from CSWS.

<u>Major Maintenance Fund</u> - This report reflects budget versus actual funds advanced or expended for major maintenance and capital improvement projects approved by the Authority. At its February 23, 2022 meeting, the Authority authorized management to establish a project for scale system replacement at the CSWS transfer stations in the amount of \$600,000 funded through surplus Major Maintenance Funds. As shown on this report, the Authority has expended \$449,606 through April 30, 2023 for the scale replacement projects.

Transition Contingency Reserve - This \$3,565,000 reserve is part of the Major Maintenance Fund. It was funded from July through October as shown on CSWS Financials. Use of the reserve was authorized for WTE Facility contractor severance budgeted at \$2,000,000. Actual payments for 71 contract employees is \$1,694,051 as shown on the Major Maintenance Fund report. One additional employee remains to be paid. The Authority estimates WTE contractor severance will be conclude \$285,000 below the \$2,000,000 authorization. Use of the reserve was subsequently authorized for security and technical support budgeted at \$112,500. This authorization is now allocated in the reserve.

Decommissioning Funds - The Authority's Decommissioning Reserve has been funded and established for financial reporting purposes and closure expenditures are pending approval of a closure plan by DEEP and contracting activity by the Authority. In November, the Authority authorized \$40,000 for consultant response to DEEP comments on the Authority's closure plan. \$19,154 has been expended year to date for this purpose.

Mark T. Daley, Chief Financial Officer

Ending balances include the fund transfers represented on this flow of funds as a distribution. Excludes receipt of customer security deposits /guarantees of payment and Mid-Connecticut reserves not subject to disbursement or funding in accordance with adopted flow of funds.
 Decommissioning Reserve of \$3.3 million was established pursuant to Board resolution. Interest earnings are being retained in the reserve account.
 FY23 YTD contribution to the CSWS Tip Fee Stabilization Reserve totaled \$3,811,000.00 in support of the FY23 Adopted Property Division Budget.
 FY23 YTD CSWS draws from the CSWS Tip Fee Stabilization Reserve is \$3,811,000.00 in support of the FY23 Adopted CSWS Budget.

After the distribution of March cash receipts, a total of \$60,770,021.29 remained due to the Tip Fee Stabilization Reserve from the CSWS.
Adjustements reflect funding correction for the paid NAES legal involces that were paid from reserve.

Report on Vendors that have exceeded \$50,000 on Cumulative Contracts

Discussion

The MIRA Procurement Policies and Procedures, effective January 22, 2004, contain a provision requiring that a report be submitted to the appropriate board committee(s) in the event that MIRA enters into multiple contracts or multiple Request for Services ("RFS") with one vendor during one fiscal year, and none of the contracts and/or RFSs individually is in excess of \$50,000.00, but the sum of all contract and/or RFS amounts with that vendor exceeds \$50,000.00 in the aggregate.

This is to report to the Policies and Procurement Committee, pursuant to Section 4.1.3.2.2 (governing contracts) and Section 4.1.4.2 (governing RFSs) of the MIRA Procurement Policies and Procedures, those vendors with which CRRA has established multiple contracts and/or RFSs during a fiscal year, all of which are less than \$50,000.00, but which in the aggregate exceed \$50,000.00 to date.

Report on Exceptions to the Competitive Process

Discussion

The MIRA Procurement Policies and Procedures, effective January 22, 2004, contain a provision exempting certain purchases from the competitive process; these exceptions are listed in Section 3.1.2 of the Policy.

Section 3.1.3 of the Procurement Policies and Procedures, <u>Making and Reporting and Exception</u>, requires that a purchase that is not conducted pursuant to the competitive process be reported as soon as practicable to the Policy and Procurement Committee, and the full Board of Directors.

This is to serve as the report required by section 3.1.3 of the Procurement Policies and Procedures. The following table provides a summary of this information.

Comp 2	Comp 2	- State Contract (DAS, DEEP, DOT, BEST)

INFORMATION REGARDING UPCOMING SOLICITATIONS

RFP/B/Q which MIRA has issued and is awaiting results

• Request for Information and Expressions of Interest for Sale of Jet Turbine Electric Generating Facility Assets (ongoing RFI- to identify and solicit feedback from parties who may be interested in future RFP(s) related to sale of Jet Turbine Electric Generating Facility Assets)

RFP/B/Q which MIRA expects to issue in June of FY2023 or early FY2024

- RFP for Inspection, Maintenance and Repairs at Maxim Road Railroad Crossing in Hartford.
- Request for Quotes (or other public solicitations if warranted, or use of DAS state contracts if
 possible) for various building and facility services at the South Meadows site including custodial
 office cleaning, grounds maintenance, HVAC maintenance, on-call electrical work, on-call
 plumbing work, on-call fencing work, and/or any other facilities or grounds work deemed
 necessary as NAES contract ends.
- Request for qualifications and/or proposals for firms to assist in the sale, scrap, and/or disposal of spare parts, rolling stock and/or equipment from the CSWS Resource Recovery Facility.

RFP/B/Q which MIRA may issue in FY2024

- Solicitations if/as necessary to support decommissioning MIRA's resource recovery facility.
- Solicitations if/as necessary to support energy conservation and electrical use reduction efforts at MIRA's closed resource recovery facility.
- RFP for Insurance Consulting and Brokerage (existing contract expires December 31, 2023)
- RFP for Independent Auditing Services (existing contract expires March 31, 2024)
- RFP for Human Resources consulting and temporary services firms (existing contracts expire June 30, 2024)
- RFP(s) for Sale of Jet Turbine Electric Generating Facility Assets
- RFQ for Economic Advisory Services Agreements (agreements expired February 28, 2022).
- MIRA working with Contractor for Transportation and Disposal of Ash Residue from the CSWS Resource Recovery Facility to plan for delivery of ash residue removed during decommissioning of the facility (existing Agreement for Transportation and Disposal of Ash Residue from the CSWS Resource Recovery Facility expires June 30, 2024).
- Solicitations if/as necessary to support planning related to:
 - Future of MIRA facilities at 211 and 171 Murphy Road
 - Decommissioning of Jet Turbine Facility after June 30, 2023
 - o Other MIRA-owned properties
- Requests for information or related solicitations to provide pathway for developers to communicate partnership opportunities and planning-level needs to MIRA's Board of Directors.
