

**ADDENDUM NO. 4
Issued April 29, 2024**

**TO
REQUEST FOR PROPOSALS**

**For the Sale and Removal of
Inoperable Heavy Equipment and Attachments
and Miscellaneous Scrap Metals
Located at the Hartford Connecticut
Resource Recovery Facility**

(RFP Number 24-AUTH-007)

Note: Entities submitting a Proposal are required to acknowledge this and all Addenda in Section 4 of the Proposal Form.

1. ADDITIONAL TIME TO VIEW SCRAP METAL AND/OR INOPERABLE EQUIPMENT

If any potential Proposer wishes one final viewing of the inoperable heavy equipment in Lot A or the scrap metal in Lot B (as such lots were amended in prior addenda), the Authority will provide one last viewing-tour opportunity on Wednesday, May 1 at 8am.

Please note that the Authority is NOT changing any of the deadlines specified in Section I.C. of the RFP. Because the deadline for questions has already passed, Authority staff will NOT answer any questions related to the RFP during this follow-up viewing time.

Any potential Proposer who attends this final viewing tour should refer to Addendum 1 – the information specified therein regarding arrival information, personal protective equipment, site lighting and number of allowed attendees from each firm shall also apply to this final viewing-tour on May 1.

Any proposer wishing to modify an already-submitted proposal as a result of this viewing tour can do so in the manner specified in Section III.F. of the RFP. Proposers who have already finalized their proposal do not need to modify their already-finalized proposal to acknowledge this Addendum 4 in Section 4 of their Proposal Form (RFP Attachment E – Form 1).
