Issued November 22, 2024**

**TO**

**REQUEST FOR PROPOSALS**

**For the Marketing, Brokerage, Sale and Removal of  
Available Equipment and Installed Equipment Located at the  
Hartford Connecticut South Meadows Site**

**(RFP Number 25-AUTH-001)**

**Note:** Entities submitting a Proposal are required to acknowledge this and all Addenda in Section 4 of the Proposal Form.

## 1. REVISION TO PROPOSAL DUE DATE

By way of this Addendum 5, the MIRA Dissolution Authority hereby modifies Section I.C. of the RFP (RFP Projected Timeline), such that the Date Proposals are Due to the Authority is revised and extended to **3pm Thursday December 5, 2024**.

*(Note: for firms proposing to both this RFP and also RFP25-AUTH-002 [the salvage-operations RFP] the salvage operations RFP due date will also be extended concurrently to that same December 5<sup>th</sup> revised due date via an addendum to that RFP).*

If any firm has already submitted a proposal which they wish to modify or withdraw as a result of this revised due date, they can do so in accordance with Section III.F. of the RFP.

## 2. RESPONSE TO ADDITIONAL QUESTION

1.	Question	Has any of the installed equipment been run or maintained since the plant shut down?
	Answer	Generally, the processing and combustion equipment has not been run since the former contract operator (NAES) ended operations.  As noted during the tour, as part of ending operations, hydraulic reservoirs and lubricating reservoirs have been drained.
